

ATRA 20S

Industrial safety helmet with internal visor
and external face shield

EN 397:2012+A1:2012

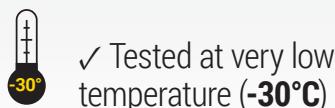

✓ LD - Lateral Deformation

✓ Impact resistance

✓ MM - Resistance to molten metal splash

✓ Tested at very low temperature (-30°C)

✓ Lightweight and durable ABS plastic construction; weight **740 g**

CLASS 1

GS-ET-29: 2019-06

EN 50365: 2002

✓ Designed for work on low-voltage installations to **1000V AC** or **1500V DC**

EN 166 / EN 170

- ✓ 1 optical class,
- ✓ resistance to high energy impact 190 m/s (A)
- ✓ protection against arc flash
- ✓ protection against UV radiation
- ✓ protection from hazardous materials such as liquids, molten metals, hot solids and chemicals

2 face shield positions (open and closed)
